Using the Lodewick Children's Library

The Children's Library will be available by appointment for families for 30 minutes of browsing. Based on attendance at any one time, a limit number of adults without children may also be allowed to enter. Please call the Children's Department between 10am – 5pm Monday – Friday at 203-438-2282 ext.12002 to schedule an appointment.

Children under age 12 must be accompanied by an adult or caregiver at all times. Masks are required at all times. Since it is advised that children under 2 not wear masks, we request that parents and caregivers not bring our youngest patrons into the Library at this time both for their safety and the safety of others. If this is not possible, children under 2 must be kept in a stroller or in the immediate vicinity of their caregiver, such as in a baby carrier.
