

Fall Trekking Program

Join our Fall Trekking program and explore the many trails and open spaces in Ridgefield! Ridgefield is privileged to have a variety of beautiful open spaces just waiting to be explored. From easy flat walks to strenuous uphill climbs, there is something for every level of fitness and hiking ability.

Here's how it works:

- **Scan the QR code. Log your trek when you are finished. Include photos and comments on what you see!**
- **Each time a trail is completed it will be logged.**
- **Every logged trail enters you into our raffle, which concludes at the end of the Fall Season!**

Thank you to our co-sponsors!
